

“Everybody in the POOL!”

EARLY MEMBERSHIP & FUND DRIVE SUMMER 2010

Currently, available funds only allow the community pool in Easton to be open Thursday thru Sunday this summer.

In an effort to have this pool open 7 days a week or additional 40 days, we would like to encourage families to purchase Family Memberships to the George Murphy pool.

A family of 4 membership is an incredible value equaling just 11 visits for your family in daily fee to either pool.

WE NEED YOUR HELP!!!

An early submittal of your membership request will help us reach our goal of \$25,000. Please send your membership check made payable to: TCDPR at 10028 Ocean Gateway Easton, MD 21601 Attn: Catherine Rust

Donations in lieu of or in addition to your membership will be greatly appreciated.

A special thanks to those who have made generous contributions including Aqua Pools and Orion. Thanks to Christmas in St. Michaels for their significant donation to our Bay Hundred pool.
